PROCEDURE FOR SOLICITING DONATION REQUESTS

All donation requests must be submitted in writing using the Donation Request Form that can be found on the Foundations of East Chicago website, www.foundationsec.org.

In accordance with IRS regulations, Foundations of East Chicago, Inc. (FEC) has adopted policies which prohibit releasing funds directly to an individual or a non-501 (c)(3) organization. However, we encourage such individuals/organizations to seek the assistance of a 501(c)(3) nonprofit organization to act as their fiduciary agent.

Donations of amounts \$1000 or less for sponsored events and projects are considered on a case by case basis. Submission of a Donation Request Form does not guarantee funding. The maximum any organization can receive within any given calendar year is \$1000.

Organizations that have an open grant with the Foundations of East Chicago (FEC) are not eligible to receive a donation until the year following the closeout of the grant. FEC may, however, support the grantee in the form of advertising in a publication or program (i.e. ad books), not to exceed \$200 during the calendar year, or by purchasing tickets.

Typically, the Board of Directors meets the second Friday of each month. The event covered by the Donation Request Form cannot precede funding approval. Therefore, to ensure that a Donation Request will be reviewed in a timely manner, the request must be submitted by the 27th of the month prior to the event taking place. It is recommended to submit the request at least 8 weeks prior to the event.

Please be sure to include:

- Name of individual(s) or organization seeking assistance.
- Address and contact number of individual(s) or organization seeking assistance.
- Date of program/event.
- Total cost of program.
- Sponsorship amount being requested.
- The request must be accompanied by:
 - any correspondence to support the validity of the request
 - If not a 501 (c)(3), a letter from the 501(c)(3) sponsor stating that they agree to be the fiduciary agent for the individual(s) or organizations.
 - a letter of recommendation from the school principal (for students only)
- Requests submitted by a school must include signature approvals of both the Principal and Superintendent

Please Note: A completed form is not an agreement to honor your request. A previous donation does not guarantee a donation will be granted again for a specific event or donation amount. Similarly, a request for an amount may be partially supported or rejected.
