

Identify the Impact Area and Outcomes supported by the Proposed Program			
FEC Impact Areas		Name of Organization	
Detailed Program Information	Choose 1 Impact Area		
Education	X	Outcomes	Choose 1 outcome
		Increased adult access to affordable and quality technical, vocational, and post-secondary education, including university	
		Increased number of adults and youth achieving literacy and numeracy	X
		Increased number of children completing free, equitable, and quality primary and secondary education	
		Increased number of youth and adults who have relevant skills, including technical and vocational skills for employment, decent jobs and entrepreneurship	
Health and Safety		Outcomes	
		Increased access to life sustaining resources	
		Improved awareness of the value of a healthy lifestyle	
		Increased access to/use of health services	
		Reduced exposure to crime and violence	
Community Enrichment		Outcomes	
		Increased access to cultural and recreational activities for residents in the community	

**For the outcome chosen, please answer the following:**

Outcome One: **INCREASED NUMBER OF ADULTS AND YOUTH ACHIEVING LITERACY AND NUMERACY**

- What will you measure? (e.g., If you choose increased literacy of adults and children, you might decide to measure reading levels for adults).
- How will you measure this outcome? (e.g., Identify the data that will be collected including how frequently it will be collected, and in what form, e.g., Excel it will be stored).
